Official Diary

B.

Monday, 13 August 1951

Set up PRC Meeting at 10:30 on Thursday instead of Friday.

25X1

[redacted] stopped in to talk about gadgets to determine radio activity. He has a letter from General Wyman to the Signal Corps requesting development of twelve of these instruments. As the total cost will be about \$30,000, told [redacted] to submit a project from OAC to cover this amount.
